

About us

Management Team Cerebrus Technologies Pvt. Ltd. (Cerebrus) has been in existence since 1999-2000. The Promoter's Team, consisting of Two IT professionals, has strong Domain capabilities in the Indian Capital Markets (across 9 Major Stock Exchanges). The Domain Capabilities of the management Team centered around Solution offerings for the following segments / areas

- Equities-Stock
- Stock Derivatives
- Commodity Derivatives
- Depositories & Depository Participants

- Investment Banking
- Portfolio Management Over the last few years & with the expansion of the Financial Product portfolio in these major exchanges, Cerebrus has also enhanced its Domain Capabilities to add the Stock Derivatives & the Commodity Derivatives Business Segments within itself. This culmination of over 19 years of IT (Software applications, Databases & Operating Systems) & Domain Skills lends a very strong & reliable bedrock to Cerebrus's activities. Vision
Organization Structure Aspiration
