

Application Milestones

Business Applications-Milestones

The Milestones that we have passed in the past few years on the Applications arena are as follows

- Commercial Release of Troy (Stock Broker Back Office application for Demat Operations & NSDL & CDSL) in Mumbai, Delhi & Ahmedabad Locations
- Commercial Release of satellite application for STP (Straight Through Processing) for NSE & BSE
- Release of Octagon (Back Office application for Commodities Trading & NCCDEX, MCCX & NMCEIL)
- Beta Release of Symphony (Integrated Back office application for Equities, Derivatives & Demat Operations & NSE & BSE)
